

Desflurane Elimination

Volatile Anesthetic Gases Survey

Author: Melissa Ho, HBSc MD FRCPC

1. How often do you use desflurane in your practice?

- Never
- Once every few months
- 1-3 times/month
- 1-3 times/week
- Daily/whenever I give a general anesthetic

2. Under what circumstances do you use desflurane?

3. If you do NOT use desflurane in your practice, why not?

4. How would you feel if the desflurane vaporizers were removed from the anesthetic gas machines?

- Great! Please remove the desflurane vaporizers ASAP!
- It might take me some time to adjust, but I will adapt.
- I would be very unhappy with my anesthetic options without desflurane.
- Other (please specify below)

5. Are you aware of the environmental impact of volatile anesthetic gases, particularly desflurane?

- Yes
- No
